FOREWORD

This document shows the status of standardization projects for the development, revision or amendment of standards, specifications, handbooks, and studies. The document has been compiled by Navy Publishing Printing Service Office, Philadelphia, from data submitted by the military services and the Defense Supply Agency for use in the management of those projects. This document will be issued quarterly.

The Naval Publications and Forms Center (NPFC) distributes two copies of the SD-4 to each addressee listed in Part 2, Sections 1 through 5 of the Defense Standardization Program Directory (SD-1). In addition, NPFC maintains a limited number of copies of the SD-4 as shelf stock. Government activities requiring an additional copy of the SD-4 publication should direct their request to:
